141

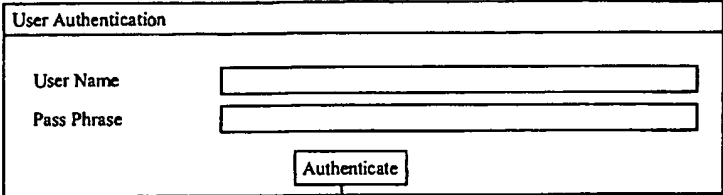

A diagram of a user authentication form. The form is a rectangular box with a title bar at the top labeled "User Authentication". Inside the box, there are two input fields: "User Name" and "Pass Phrase", each followed by a text entry box. Below these fields is a button labeled "Authenticate". An arrow labeled "137" points to the top right corner of the form box. Another arrow labeled "141" points to the "Authenticate" button.
